Leeds Castle Concert to make a welcome return

One of last year's concert-goers described the event as:

"Absolutely fantastic time... every year we say it gets better, but this year was just amazing... can't wait to come back again."

And the great news is that we are happy to confirm the concert will be back for us all to enjoy live music again next summer on Saturday 10th July 2021.

We were so sad to cancel this year's concert but overwhelmed by the support we received. We would like to thank our loyal audience who were happy to carry over their tickets.

Behind the scenes we have been working hard to ensure we bring you another spectacular outdoor music event but above all a safe one. Leeds Castle has secured the 'We're Good To Go' COVID-19 consumer mark and industry standard, created by Visit Britain.

The mark recognises organisations who have met Government and industry COVID-19 guidelines and provides a 'ring of confidence' for businesses, attractions and destinations, as well as reassurance to local residents and visitors that clear processes are in place.

As always, this iconic summer event, unique to Leeds Castle will welcome back The Royal Philharmonic Orchestra, with Conductor and Artistic Director John Rigby and firework finale. We all need something to look forward to, so what could be nicer than giving tickets this Christmas to the Leeds Castle Concert. We have a special offer of two tickets and a bottle of prosecco for only £115.

Rikki McMachan

The event should be visited by everyone at least once just to experience the atmosphere. Can't wait for next year. Congratulations"

Shelagh Oates

"A great afternoon and evening, with a mixture of rousing music and spectacular fireworks to round off the event... not forgetting the dancing finale!! Thank you!"
