## **Leeds Castle Concert chooses Heart of Kent Hospice as their charity.**

**The Leeds Castle Concert makes a welcome return on Saturday 10<sup>th</sup> July and are supporting Heart of Kent Hospice as our chosen charity.**

The event's loyal audience, whilst enjoying first class entertainment in the beautiful setting of Leeds Castle, are always most generous with their donations and the event will provide the perfect platform for Heart of Kent Hospice. Concert organisers are doing everything possible to bring the best summer concert to Kent and look forward to celebrating with everyone this summer.

Heart of Kent Hospice is a Kent based charity which provides essential, free of charge specialist compassionate care to people with a terminal illness and those closest to them. They look after over 1,700 patients a year in their own homes, in the community, and in their Hospice and last year they were voted Kent Care Charity of the Year.

Their services cost £5 million a year to run and we hope that as the event's chosen charity, we will be able to help contribute to this wonderful work.

**Karen Newton-Anker, Community Partnerships Fundraiser, Heart of Kent Hospice said:**

*"We are absolutely delighted to learn that Heart of Kent Hospice will be the charity beneficiary of the Leeds Castle Classical Concert. 2021 is our 30th anniversary year and we look forward to using this event to raise awareness of the range of support we can provide local families, and to fundraise for our Hospice."*

All the partners for this year's concert; event host Leeds Castle, headline sponsor Brachers and media partner KM Media Group are supporting the charity separately by taking part in 'Elmer's Big Heart of Kent Parade'. This is an exciting trail of creatively designed Elmer elephants that will be arriving in Maidstone for people to follow around the town and out to Leeds Castle. Each partner will be sponsoring one of the 51 decorated elephants that will be 'on parade' from 19 June to 22 August.

**Event headline sponsor, Brachers Managing Partner, Joanna Worby, said**

*"We are delighted to be the headline sponsor for the 2021 Leeds Castle Concert, and also a supporter of Heart of Kent Hospice's Elmer Parade. Elmer has promoted positive messages about inclusivity, courage and friendship to generations of children. As a firm, we understand the importance of supporting the community in which we have resided for over 125 years and are delighted to get behind a cause with such positive values we believe help make a difference."*

This spectacular summer event, unique to Leeds Castle will open with new performers 'Down for the Count' swing orchestra. The main concert follows with The Royal Philharmonic Orchestra and soloists performing a mix of much-loved classical favourites alongside new orchestral arrangements of popular songs. Field-guns, an iconic Spitfire display and superb firework finale will ensure this is an event not to be missed.

Brachers, a leading law firm in Kent, return as headline sponsor for the fifth year.

Heart of Kent Hospice is a local charity providing specialist compassionate care to people with a terminal illness and those closest to them, in Maidstone, Aylesford, Tonbridge & Malling and the surrounding villages. We care for all terminal conditions and diagnoses, and all our services are offered free of charge. Every year, we care for over 1,700 patients and their families in their own homes, in the community, and in the Hospice.

Our vision is that everyone living with a terminal illness in our community will have the best quality of life, for as long as they live. Our highly trained colleagues and volunteers do everything they can to help our patients live in comfort, with independence and dignity, while also helping them make lasting, joyful memories. In 2019 we were voted Kent Care Charity of the Year.

Each year our services cost £5 million a year to run, with over £4 million raised through the generosity of our local community.

We are thrilled to be the Charity Partner for the Leeds Castle Classical Concert 2021 and look forward to using this event to raise awareness of the range of support we can provide local families, and to fundraise for our Hospice.
